TIRE & RIM CLEANER

ProClean AUTO™

No Abrasives • No Solvents • No Flash Point

ProClean AUTO Tire & Rim Cleaner™ is formulated to release heavy brake dust and road grime on contact. Wheels and Rims can always look dirty and can be the most difficult to clean. ProClean Auto takes the muscle out of cleaning, leaving your wheels & rims spotless.

Powerful - Deep penetrating formula quickly releases dirt and road grime

Brightening - Whitens tire lettering and restores rims

No Hard Scrubbing- Deep penetrating formula loosens dirt & grime for easy wiping with a soft cloth.

Directions: Use on cool surfaces. Spray product 4-6 inches from surface, allow product to work, then rinse well with clean water. For heavier dirt and grease, repeat the process and slight agitation may be needed. Note: Surfactants in ProClean can react with aluminum, creating a bright, clean, matte finish. For more auto cleaning tips, visit us on the web at www.cwpproseries.com.

WARNING: SKIN AND EYE IRRITANT. Avoid contact with skin and eyes. Do not swallow. Do not inhale mist. Wash hands thoroughly after handling. Wear safety glasses and rubber gloves. Use only in a well-ventilated area. **KEEP OUT OF REACH OF CHILDREN.** First aid: In case of skin contact, rinse thoroughly with water. If in eyes, remove contact lenses if worn and if possible, rinse opened eye for several minutes under running water. If inhaled, supply fresh air. Seek medical advice in case of severe or persistent symptoms. If swallowed, rinse out mouth and then give water to drink. Consult a doctor or Poison Control immediately. **DO NOT INDUCE VOMITING.** Contains: Water (7732-18-5), Potassium hydroxide ≤1% (1310-58-3).
